DETAILED  
CURRICULUM  
INFORMATION.

Media Studies is a GCSE  
option and only delivered  
at Key Stage 4.

10

## Media and Audiences

Introduction to advertising and news. Students will explore a range of texts and learn how they are constructed to appeal to their target audience.

## Media Representations

Students will explore magazines, radio and music videos. Students will also begin their NEA media production as part of their GCSE coursework.

## Media Industries

Students will finalise their media productions. They will also explore industry and promotion of the Lego franchise.

11

## TV Crime and Industries

Students will explore and analyse two exam texts from the TV crime genre focusing on social, political and cultural contexts.

## Music and News

Students will revisit exam texts from magazine, radio live lounge and music videos. They will also analyse the set exam texts in print which are *The Guardian* and *The Observer* online.

## Revision and Examinations

Students will sit two exam papers:  
**Paper 1 Section A: TV Crime and Section B: The Lego Industry.**  
**Paper 2 Section A: Magazines, radio and music videos; and Section B: News**
