Reading and Intervention

FOWEY
RIVER ACADEMY

“Pupils who need additional support to develop their reading confidence and accuracy are quickly identified. A range of effective interventions are in place to help these pupils to catch up and keep up with their peers. School events such as author visits and competitions engage pupils in reading beyond the curriculum.”

Personal Development

FOWEY
RIVER ACADEMY

“The school’s personal development curriculum prepares pupils well for adult life. Pupils learn about healthy relationships and how to look after their mental and physical health. The school adapts the curriculum to ensure that pupils understand the risks they may face, for example online and in the local area. Pupils are clear about the importance of showing respect for other people’s faiths and beliefs.”

Safeguarding

Safeguarding is absolutely effective; inspectors noted that describing it as effective doesn't do justice to the work being done, describing it as 'exemplary'.
