CURRICULUM
INFORMATION.

10

Flora and Fauna

Students will explore a wide variety of textile techniques, introducing them to many new methods and ways of working. Students will become confident in media and materials.

Flora and Fauna

Students will explore a variety of artists who work in different styles. They will then develop their own ideas for an outcome.

Personal Portfolio

Students will be given six different themes. They will choose one theme which they like and research artists, techniques and ideas inspired by that theme.

11

Personal Portfolio

Students will continue to develop their personal project exploring their chosen theme. They will be working towards developing ideas for an outcome.

Externally Set Assignment

Students will be given an exam paper from Eduqas with 15 different themes on. Each student will complete a project based on one of the themes.

Final Exam

Students will sit their final 10 hour exam. During this period, there is a deadline for all coursework and the exam unit.
